Activity List

Grade 10,11,12

To help you get organized, create an list of your activities. The purpose of activity list is to show how you spend your time outside of academics. It is great if you can show a variety of involvement. You will end up copying and pasting this information into applications

Use the following format for each activity. These are common details that applications require. (If you had multiple roles in one organization, list the oprganization multiple times so each role is identified.)

Name of activity / group
- Position/role you held -
- Responsibilities -
- Dates of involvement (start date - end date)
- Number of hours (per week and total)
- Award or certificates earned
- Contact information
- Short explanation of Impact on you and impact on community
